Dear Parents and Cy-Fair Seniors,

After much deliberation the Project Prom Board is formally announcing that we have cancelled the after-prom event that was to be held at Main Event on April 26, 2019. We regret that this has happened; however, due to lack of funding and volunteer participation we are not able to guarantee that we will have the funding available to cover the venue or that we will have the chaperones needed to keep our seniors safe at this overnight event.

As an alternative to this event all monies we have raised to date and any secured through our remaining spirit nights and fundraising events will go toward sponsoring a senior breakfast with prizes being raffled off directly after graduation practice on May 29<sup>th</sup>.

We realize that there are several parents and students that have worked with the Project Prom Board since our first meeting over the summer. We are very thankful for your help and support. All points that have been earned will transfer to raffle tickets for the Senior Breakfast. We are currently updating the points and will send further information once final calculations are made.

Again, we are sorry that this has occurred. We were looking forward to a fabulous event for our seniors. Although we were not able to accomplish our goal this year, we are happy to be able to provide a Senior Breakfast that will be a fun, free event with quality prizes open to the graduating class.

If you have any questions or concerns you can send them to our general email [board@cyfairprojectprom.com](mailto:board@cyfairprojectprom.com) and we will answer them as best as we can.

Thank you.
