Students should make arrangements with both the teacher and parent/guardian **PRIOR** to staying for after school tutorials/activities.

Teachers should post their designated tutorial time and days.

At **2:45pm** students **must be in a supervised area** and should remain there until 3:15pm (Teachers will shut and lock their doors).

At 3:15pm, students must leave the building unless they are riding the late bus. In that case, students **MUST** report to Study Hall immediately **WITH a signed teacher pass**.

Students **MUST** obtain a late bus pass from Study Hall. Failure to follow this policy may result in the student not being allowed to ride the bus. A disciplinary consequence for failure to comply may also be issued.

Students should **NOT** stay after school unsupervised!
Use HAC to take ownership of your academic success.

- **Attendance** (detailed information of monthly attendance)
- **Classwork** (a posting of assignments, descriptions, due dates, total possible points and scores received)
- **Interim Progress Reports** (online version of latest progress report)
- **Report Cards** (online version of your report card)
**Semester averages** are computed by allocating a weight of 3/7 for each grading period average and 1/7 for a semester exam. The only grade that appears on your high school transcript is the semester grade.

**Example**

Step 1: 3 \( (90+81) + 75 = 585 \)

Step 2: \( 585/7 = 83.5 \)
